Our Publication Standards

We compile and format our topical collections for written practice, classroom use and the review of answers.

SPECIFICATION	OUR FORMAT	TEACHING AND REVISION
Topic organisation	We arrange topical questions by subject and syllabus topic.	Suitable for topic-based classwork and revision across examination sessions.
Question references	Paper references identify the source examination questions.	Allows source papers to be located during question review.
Writing space	We retain working space after structured questions.	Provides space for calculations and structured written responses.
Marking schemes	Our topical collections include marking schemes.	Supports checking against the accompanying marking guidance.
Ring binding	Our volumes are ring bound for regular use.	Allows pages to turn freely and the book to stay open during practice.
Print and paper	We use legible printing and paper suitable for written work.	Suitable for reading, annotation and repeated reference.

ABOUT DR NET

Dr Net Past Papers

IGCSE | O LEVEL | A LEVEL

We publish and supply printed past paper collections for IGCSE, O Level and A Level from Islamabad. Our catalogue includes topical collections, yearly papers and subject notes for students and teachers.

Our topical editions organise examination questions by syllabus topic, with paper references and marking schemes for revision and review. Yearly editions retain the sequence of complete examination papers for timed practice.

Our subject teachers and specialists compile the collections. We use ring binding and retain writing space after structured questions, allowing students to complete their working and written responses within the book.

We support individual and institutional enquiries. Our team confirms the syllabus, paper, part and quantity required, then provides current prices and delivery arrangements through WhatsApp.
